Seawater intrusion in heterogeneous coastal aquifers under flooding events

Davood Mahmoodzadeh, Mohammad Karamouz

PII: S0022-1694(18)30867-9
DOI: https://doi.org/10.1016/j.jhydrol.2018.11.012
Reference: HYDROL 23253

To appear in: Journal of Hydrology

Received Date: 25 June 2018
Revised Date: 7 November 2018
Accepted Date: 9 November 2018

Please cite this article as: Mahmoodzadeh, D., Karamouz, M., Seawater intrusion in heterogeneous coastal aquifers under flooding events, Journal of Hydrology (2018), doi: https://doi.org/10.1016/j.jhydrol.2018.11.012

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
Seawater intrusion in heterogeneous coastal aquifers under flooding events
